The Awakened, Books 1-3 (The History / The Prophecy / The Awakened) Jason Tesar
"This is a combined edition, which includes Book One, Book Two, and Book Three. THE HISTORY: Over five thousand years ago, a renegade faction of angels abandoned the spiritual realm and began their inhabitation of earth. Worshiped as gods for their wisdom and power, they corrupted the realm of the physical and forever altered the course of history. THE PROPHECY: Amidst the chaos of a dying world, a lone voice foretold the awakening of a warrior who would bring an end to this evil perpetrated against all of creation. But with the cataclysmic destruction of earth and rebirth of humanity, the prophecy went unfulfilled and eventually faded from the memory of our kind—until now! THE AWAKENED: The physical dimension is fractured. What remain now are numerous fragmented worlds moving simultaneously through time, sharing a common history, connected only by a guarded portal. On a parallel earth, a child is rescued from prison and trained in the arts of war by a mystical order of clerics. When he returns to his home in search of his family, he becomes entangled in a brutal conspiracy to gain control of the Empire. Racing to unravel the secrecy of the enemy’s identity and motive, he is haunted by the memories of his past and drawn by the destiny that awaits him. In this combined edition (Book One, Book Two, and Book Three) of his debut series, Jason Tesar delves into the heart of an ancient legend, launching an epic saga that will journey from earth’s mythological past to its post-apocalyptic future, blending the genres of fantasy, sci-fi, and military/political suspense."
