Appraising Industrial Properties

Appraising Industrial Properties
This long-awaited text, the first on industrial property valuation published in 20 years, presents a comprehensive survey of the valuation of industrial property and current insights from more than a dozen real estate experts. In addition to information on highest and best use, environmental issues, and legal and tax considerations, the text presents procedures for valuing warehouse space, distribution centers, manufacturing facilities, telco hotels, truck terminals, food processing plants, and grain elevators.
