Dictionary of Classical Antiquities, Mythology, Religion, Literature and Art (Cambridge Library Collection - Classics)

Oskar Seyffert

Dictionary of Classical Antiquities, Mythology, Religion, Literature and Art (Cambridge Library Collection - Classics) Oskar Seyffert
Published in 1891, this revised edition of Oskar Seyffert's Dictionary provides comprehensive coverage of Greek and Roman antiquities, and extends its range to incorporate the areas of mythology and literature. From Abacus to Zosimus, over 2,500 articles cover topics including the lives and work of Greek and Roman philosophers, historians, orators, poets and artists, and related subjects including Greek and Roman religion, philosophy, rhetoric, literature, architecture, painting, sculpture, music and drama. A landmark publication in its time, it is still regarded as factually reliable, and although there have been considerable advances in the interpretation of the data it is valuable as a benchmark for the state of classical scholarship in the late nineteenth century. Enhanced by over 450 illustrations, the volume gives the Latin equivalent for every Greek word, and contains a thorough index.
