A Parent's Guide to Locating Responsible Child Care: Discover How to Create A Safer Environment for Your Child Ronald R. Capps, Ph.D.
You Need To Take These Specific Actions To Safeguard Your Child From Possible Harm

SIX THINGS THIS BOOK WILL HELP YOU ACHIEVE
1. Create a safer environment for your child.
2. Effectively screen your child care provider(s).
3. Increase your knowledge in selecting a competent child care provider.
4. Locate the absolute best child care providers in your area.
5. Decrease the chances of child care abuse.
6. Feel confident that your child is in good care when you're not present.

This book will help determine you and your child s needs, create a safer environment and help you select the absolute best child care your area has to offer without putting your child at risk.

If this book helps even one family protect their child from abuse and neglect at the hands of a caregiver, then this publication has been an overwhelming success.

Having looked everywhere for a similar guide for screening and selecting a responsible caregiver, and after not being able to find anything to help parents know how to provide their child with the best and safest care possible, Dr. Capps was prompted to write this book.

As you read through this book it is imperative that you understand why steps are taken, why questions are asked, and the importance of teaching your child about their safety and security.

Children need to be safe and secure and it is your responsibility as a parent and as a human being to teach them and educate them about exactly what abuse and neglect is. You must establish a relationship with your child and create a nurturing and stable environment for them to open up and talk with you.

It is also important for you to take the time to listen to them anytime they feel they want to talk, regardless of what you are doing. If you take the time and put your child before anything else you have going on in your life you will find that they will come to you whenever they have a problem, before it s too late.

You will also discover how to recognize a problem with your caregiver and what you can do about it to resolve the problem.
