California's Historic Haunts Brian Clune, Bob Davis
Visit 25 of California's most haunted and historic sites. Wander the halls of Camarillo State Hospital to hear ghostly children laughing and objects moving without assistance from the living. Consider whether restless soldiers are still in the tunnels where they were killed—could this be a legend? Is there a cryptozoological creature known as the "Billiwhack Monster" at Rancho Camulos? Could there be truth to the phantom stagecoach that can be heard and seen late at night at Vallecito, then continuing on before vanishing from sight? Each site is explored by the authors and Planet Paranormal Investigations to give the visitor or potential investigator all the tools necessary for a rewarding experience. All sites are open to the public and this comprehensive historic guide supplies visitor information, tools of the trade, and a full glossary.
