Dead Medics' Society Mike Albany
Dead Medics' Society is a short novella told in a tongue-in-cheek style using a mixture of amusing whimsy and, at times, profound insight into the minds of men who wield scalpels for a living. Although this short tale is clearly fiction, the historical figures and operations depicted are real, though the characterisation is down to poetic licence. Read it and wonder. FIC000000; MED000000
