**How Fish Learned to Swim (Volume 1)** Jennifer Vassell
Immerse yourself into the vibrant world of Ocean Prim. This splashingly creative, refreshingly original story answers an age-old question -- How did fish learn to swim? In Ocean Prim, a world of walking fish, floating was frowned upon; it was an absurd notion. All Prim Fish knew to calmly walk in a classy, non-swift motion. But, Swimmer could only float. Swimmer just wanted to be accepted; so one day, he thought he could dazzle the others with his snazzy floating moves. Swimmer twisted, twirled, jumped, and whirled through the water, hoping to impress the crowd that had gathered.  Instead, the other fish became angry and demanded Swimmer be kicked out of the Walking Games. So, dive into Ocean Prim!  While there, you will learn more about Swimmer's fate and discover How Fish Learned to Swim.
