The spiritual and cultural beliefs of Bali are encapsulated in extraordinary mandalas – hypnotic focal points for drawing the observer deeply into her/himself, to a perspective from which the multiplicity of nature, and our place in it, reveal themselves. *Mandalas of Bali* contains over 140 mandala paintings. In each of them, with a little time, all can be seen about the harmonious integrity by which the Balinese, both as individuals and as a culture, have flourished for over a thousand years.
