Do you know a new mom? Are you sure you know her?

Look closer. Is she shining with the light of new life? Or slipping into the dark? Can you tell the difference? Would she tell the truth?

It seems simple. Have a baby. Love and raise it. Become the mom you've dreamed of becoming.

But postpartum complexities lurk. Awesome responsibility. Staggering demands. Irreversible changes. A mommy culture of perfection and facade.

With this haunting collection, new and seasoned moms take a resonant and validating journey through the anticipation, joy, isolation, doubt, exhaustion, desperation, humor, and ultimate redemption of new motherhood.
