Promethea, Book 3 Alan Moore
Sophie Bangs' life has been spiraling out of control since the day that she was mystically transformed into the latest incarnation of Promethea, a centuries-old female warrior. In the third volume of this award-winning series, things only get worse for the college co-ed as she and Barbara, the last woman to hold the title of Promethea, embark on a spiritual and cosmic journey through the many different realms of Heaven and Hell. Now as the two compatriots experience mind-altering visions and encounter legendary figures from the past, they must find a way home or be lost on the metaphysical plane of existence for all eternity. SUGGESTED FOR MATURE READERS.
