Sexual Health Promotion in General Practice Hilary Curtis
Sexual Health Promotion in General Practice provides a menu of options and ideas to meet the wide variety of needs in both urban and rural practices and those serving populations with different prevalences of HIV and sexually transmitted diseases. The book therefore reflects the strategy of The Health of the Nation. It can be used as a practical manual for developing practice policies and as a text for individual reference by the entire primary care team. Published in association with the BMA Foundation for AIDS The HIV Project and Camden & Islington Community Health Services NHS Trust
