Snakes and the Boy Who Was Afraid of Them (Rainbow Morning Music Picture Books) Barry Louis Polisar
Afraid of snakes, Lenny has to endure a field trip to the zoo's snake house. He encounters taunts from his bullying classmates and little sympathy from his teacher and guidance counselor, who are pictured increasingly snake-like and menacing until the wickedly funny surprise ending. It's a book about fears that says there's nothing wrong with having them. A new edition with full-page, color illustrations in this companion book to *The Snake Who Was Afraid of People*.
