Marvel and Bungie team up to create The Halo Graphic Novel HC based on the best-selling video game. The graphic novel brings the Halo universe to life for the first time in the sequential art medium in a 128-page, full color, high quality, jacketed, hardcover graphic novel. Stories include: "Last Voyage of the Infinite Succor" by Simon Bisley and Lee Hammock. When communications from a Covenant agricultural support ship are mysteriously terminated, an Elite Commander and his squad of Special Forces are sent to investigate. In "Armor Testing" by Ed Lee and Jay Faerber, the only way to test Spartan armor, is to send a Spartan. The question is what's really being tested? In Tsutomo Nihei's "Breaking Quarantine," the untold tale of Sergeant Johnson's escape from the clutches of the Flood menace is revealed! Finally, Moebius and Brett Lewis' "Second Sunrise Over New Mombasa" tells of the subtler, more dangerous fights taking place on the streets of New Mombasa and in the hearts and minds of men. Cover by Phil Hale. Gallery art created a number of elite artists including Rick Berry, Geof Darrow, Scott Fischer, Sterling Hundley, Craig Mullins, George Pratt, Juan Ramirez, George Staples, Justin Sweet, John Van Fleet and Kent Williams.

From reader reviews:

Cornell Smith:

Book is to be different for each grade. Book for children right up until adult are different content. As it is known to us that book is very important for all of us. The book The Halo Graphic Novel seemed to be making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The reserve The Halo Graphic Novel is not only giving you much more new information but also to get your friend when you experience bored. You can spend your own spend time to read your publication. Try to make relationship while using book The Halo Graphic Novel. You never sense lose out for everything should you read some books.

Christopher Hartwick:

Information is provisions for anyone to get better life, information nowadays can get by anyone at everywhere. The information can be a understanding or any news even an issue. What people must be consider whenever those information which is inside the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one typically the resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take The Halo Graphic Novel as the daily resource information.

Philip Brown:

Exactly why? Because this The Halo Graphic Novel is an unordinary book that the inside of the book waiting for you to snap that but latter it will surprise you with the secret it inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the reserve store hurriedly.

Betty Callahan:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Halo Graphic Novel can make you truly feel more interested to read.
