Unfolding Life: A Book of Haiku Terri Deno
The ancient art of the Japanese haiku has been embraced by the world for centuries. Today's modern take on the traditional form can make a reader think, feel, and see the things in this world that are sometimes hard to describe—even more difficult if it's limited to just seventeen syllables. Unfolding Life is the debut haiku collection from Terri Deno. From nature and the tangible to time and the intangible, a wide variety of topics are explored in this ancient verse. This collection also include artwork from KR Smith.
