Before the Frost Henning Mankell
Sweden’s bestselling and award-winning author Henning Mankell joins Vintage Canada with the first Kurt and Linda Wallander Mystery.

Linda Wallander is bored. Having just graduated from the police academy, she is waiting to start work at the Ystad police station and move into her own apartment. In the meantime, she is living with her father, and like fathers and daughters everywhere, they are driving each other crazy. Nor will they be able to escape each other when she moves out. Her father is Inspector Kurt Wallander, a veteran of the Ystad police force, whom she will have to work alongside. Linda’s boredom doesn’t last long. Soon she is embroiled in the case of her childhood friend Anna, who has inexplicably disappeared. A few rookie mistakes result in life-threatening scenarios. And as the case her father is working on dovetails with her own, something far more calculated and dangerous than either could have imagined begins to emerge.
