Discover Extraordinary Stories Of ET Contact

Many of us are fascinated with the idea of extraterrestrial intelligence. The existence of highly evolved beings elsewhere in the universe is commonly thought of as probable. If any of them have visited our planet, however, is more debated. Still, people from all over the world have come forward with intriguing stories of alien contact. Stories which seem to suggest that this may actually be the case.

While most of these accounts are compelling by their very nature, a few stand out as particularly awe-inspiring. 13 of these exceptional cases are detailed in this book.

During The Course Of The Book We Will Explore:

- A close encounter with three plant-like beings, said to be from the Sirius star system
- A stunning appearance of several UFOs and alien beings, including a nearby landing, witnessed by as many as sixty-three school children
- A UFO's strange and horrifying attack on an Australian family
- How a joyous gathering at a farmhouse became interrupted by the arrival of a dozen or so bizarre looking creatures
- A man's intimate encounter with two naked female humanoids of unknown origin

And much more!
