Come Over To The Dark Side...

With our all new Midnight Mandalas Vol. 6 black background coloring book. This time I took 50 of my own original Mandala designs and did a bit of black magic on them to turn them into fantastic white Mandalas with all black backgrounds.
NOTE: Since some of the designs might not be true Mandalas I added 4 bonus images because I just thought they looked so great.
Think of the possibilities of coloring these with bright neon pencils or markers and remember, as with all of our books, each image is printed on its own page.
