Soul Graffiti Nature Series: Coloring in Nature Book One Lizzie Toler Branch
This adult coloring book is not your typical coloring book. It was created by a professional artist who sees the world in frames and color. Lizzie Toler Branch used her collection of nature photographs to create the 40 pen and ink sketches that are included in this coloring book. Also included at the end of the book is a description of each picture and why it was included in the book. There are lots of stories “behind these sketches”! As you color, you will find yourself immersed in the tranquility of nature as you use all the colors imaginable to bring these creatures, flowers, and landscapes to life. Hours of peaceful and stress free coloring await you! Lizzie wants you to use your artist’s license to create as you choose from all the colors in your palette, but she also includes a link in the coloring book to the gallery of the original 40 photographs to guide your color choices or just for your viewing pleasure! Lizzie hopes this coloring book will help you see the world differently as you create and enjoy beauty on each coloring page. Enjoy your adventures in nature as you color the world around you!
