Sucking Sherbet Lemons

Michael Carson

Sucking Sherbet Lemons Michael Carson
A classic, hilarious coming out novel about growing up in the 1960s—can Benson be both gay and Catholic? Gay and happy?

What do you do when you're fat, 14, and your obsessions include the Catholic Church, doing the right thing, scones and sweets, and other boys and their private parts? Well, if you're Benson, you panic and flee, hiding from the flesh as a novice in a monastery. Alas, St. Finbar's monastery is as full of temptation as the grammar school he'd left behind. The devils of desire find Benson once again and throw him back into the world from which he'd tried to escape. Returned to school, Benson is still trying to square the circle of his conflicting enthusiasms and desires. This comic epic is a warm, funny, and bold reminder of just how new, and superficial, sexual tolerance in contemporary society really is.

From reader reviews:

Colby McCray:

Book is to be different for every single grade. Book for children until eventually adult are different content. To be sure that book is very important normally. The book Sucking Sherbet Lemons was making you to know about other understanding and of course you can take more information. It is very advantages for you. The publication Sucking Sherbet Lemons is not only giving you more new information but also for being your friend when you feel bored. You can spend your personal spend time to read your book. Try to make relationship using the book Sucking Sherbet Lemons. You never sense lose out for everything when you read some books.

Floretta Simmons:

As people who live in the modest era should be upgrade about what going on or info even knowledge to make all of them keep up with the era which can be always change and move forward. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know what type you should start with. This Sucking Sherbet Lemons is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

Helen Jackson:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge even the information inside the book this improve your knowledge and information. The info you get based on what kind of reserve you read, if you want attract knowledge just go with education books but if you want sense happy read one together with theme for entertaining like comic or novel. Often the Sucking Sherbet Lemons is kind of publication which is giving the reader unpredictable experience.

Susan Woods:

Information is provisions for anyone to get better life, information today can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is in the former life are challenging be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you get the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Sucking Sherbet Lemons as the daily resource information.
