What's Worse Than Catching A Killer? Being Framed For His Murder...

Meet retired cop, Sam Prichard. “Mr. Prichard, it said, the people you see in the photos will be killed within the next forty-eight hours, unless you stop me. I have been following your exploits closely, and I think that you are the one I need to make sure I stop doing this. I've been trying for more than fifteen years to kick this habit, but I can't. Normally, I don't strike so many times so close together, but in order to get you interested, I'm going to up the odds. I need you to do only two things: discover who each of my victims is, and then do all you can to stop me before I can kill each one. The first one will die exactly twenty-four hours after you receive this note. The second will die twelve hours after that... ...and the third twelve hours after that. If you cannot stop me before I can kill the third one, then no one can. Then there will be a fourth victim, but you get no clues for that one. Good luck." **See why people are calling it "the next Jack Reacher" yourself by scrolling up and downloading your copy today!**
