This year can be your opportunity to internalize and directly experience the great wisdom of the Tao Te Ching, a collection of 81 verses authored by Chinese prophet Lao-tzu 25 centuries ago. **Dr. Wayne W. Dyer** has broken down the translated verses into bite-size pieces based on his *New York Times* best-selling book *Change Your Thoughts—Change Your Life* so that you can slowly absorb these powerful thoughts and imprint them into your consciousness.

Working with one concept each day of the year, you will come to know the truth behind the ancient Tao observation: *When you change the way you look at things, the things you look at change.*
