Electrical Contractor: Start and Run a Money-Making Business Dan Ramsey
This book aims to give apprentice and journeymen electricians the knowledge they need to make it on their own without a degree in business. Dan Ramsey describes the latest opportunities for construction, remodelling and industrial electricians, and addresses the issues that would-be electrical contractors are sure to face, including: the location and licensing of the business; forming partnerships and corporations; setting fees and tracking expenses; building a clientele; renting vs. buying equipment; and expanding the business.
