More than skin is revealed when costumes come off at a cosplay conference. In this collection of unconventional romance stories, four characters discover the secret truths of their identities as well as their hearts. Casey Jackson thinks she has it all. A sexy job as a promotional model and an even sexier boss who keeps her happy in and out of the bedroom. She doesn't mind the blurred lines of their relationship, until Lucas Haskell gives her the ultimate ultimatum—commit or leave. Love is one thing, but is marriage worth the price of her freedom? Lucas Haskell knows what he wants: Casey Jackson. She's the love of his life and the muse he's always dreamed of. She may have doubts about marriage, but he's ready to do everything in his power to convince her they are meant to be together. When opportunity presents itself at a Fan Expo convention, playing dress-up has never been so steamy...or so much fun. Astrid Bitten isn't smitten. All she wants is a night of sexual adventure to bring some excitement to her lonely life. When she meets the most gorgeous guy she's ever seen at a Fan Expo convention, she jumps at the chance to explore what lies beneath the stretchy Spandex of his superhero suit. But is she ready to discover the truth of her secret cravings? Race Lindstrom wants a second chance. At life, at love, at using the gods-given talents he's been born with for good rather than evil. When he spies the golden-haired goddess across a crowded room, he knows he'll never let her go. But second chances don't come easy. He'll have to satisfy her deepest hunger if he wants to make Astrid his forever. Contains My Desire (Steam Bunny) My Decadence (Super-Sex Me) and My Destiny (Fit To Be Tied)
