Howard Menger

From Outer Space to You: Secrets of the Flying Saucers from Outer Space Howard Menger
They said they came from outer space, but were the uncanny, mysterious people who selected Howard Menger as their earthly contact really aliens from another planet?

Disbelieving, terrified, yet finally convinced, Menger talked with the space people, observed their strange “flying saucer” spaceships, and was finally taken for a ride to the moon, in a matter of minutes, in a saucer!

Howard Menger’s experiences will seem too incredible for many readers. Others will respond to his conviction and sincerity, or to his fascinating narrative, and will keep an open mind. For all readers, no matter what their personal opinions, "From Outer Space to You" will most likely be a unique and thrilling reading experience.

This special 2014 edition by New Saucerian features a question-and-answer session with the Mengers; extensive diet, lifestyle, and relationship advice “from the stars”; classic cover art by Bill Randall; and an introduction by the publisher, Gray Barker.

“Enlightened concepts from ufology’s sexiest contactees...” -Thornton M. Vaseltarp, Ph.D.

“The Menger’s parties were legendary - practically holographic...” -Randolph Halsey-Quince

“A blast of cool... Indispensable on safari, terrestrial or otherwise...” -Lady Jane Lipschitz

“The absolute best place to experience missing time...” -Michael X
