Holler If You Hear Me: The Education of a Teacher and His Students, Second Edition: Teaching for Social Justice Gregory Michie

In this time of narrowed curricula and high-stakes accountability, Gregory Michie's tales of struggle and triumph in *Holler If You Hear Me: The Education of a Teacher and His Students* are as relevant as ever. Since it was first published, in 1999, *Holler* has become essential reading for new and seasoned teachers alike and is an inspiring read for many others. Weaving back and forth between Michie's awakening as a teacher and the first-person stories of his students, this highly acclaimed book paints an intimate and compassionate portrait of teaching and learning in urban America. While the popular notion of what it's like to teach in city schools is dominated by horror stories and hero tales, Michie and his students reside somewhere in between these extremes - "between the miracles and the metal detectors".

This updated 10th Anniversary Edition of Michie's moving memoir of teaching on Chicago's South Side features a new introduction and a new afterword that includes updates on several of his students.

Barry Whitfield:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library in order

to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Holler If You Hear Me: The Education of a Teacher and His Students, Second Edition: Teaching for Social Justice can make you experience more interested to read.
