Living Gnosticism: An Ancient Way of Knowing

Jordan Stratford

Living Gnosticism: An Ancient Way of Knowing Jordan Stratford
Twenty-two centuries ago in Alexandria, a sect of philosopher-poets fashioned a myth the strands of which weave through Christianity, Judaism, Islam and Greek philosophy, and inspired the legends of the Holy Grail. Long banished to the realm of notorious heresy, the myths of the Gnostics took root in the fertile imagination of the nineteenth century's artistic movements and esoteric circles, bearing fruit in the daily spiritual practice of thousands today. In 1945, a library of Gnostic writings surfaced form the Egyptian desert, allowing the movement--after 1500 years of propaganda and slander--to speak with its own voice. Rich in imagery, nostalgic in tone, Gnosticism quietly restores Wisdom to her place as a Goddess in Western religion, reveres Eve as the first saint, and acknowledges Mary Magdelene as foremost of the Apostles.
