Revisit *USA Today* bestselling author Lacy Williams' debut story of an unlikely lawman finding love.

A Woman in a Man's Job

Filling the shoes of her late husband as town marshal hasn't been easy for Danna Carpenter. She's not only fighting criminals, she's also fighting to earn the respect of the townspeople. So crossing paths with tenderfoot detective Chas O'Grady is the last thing she needs. He's hunting a band of cattle rustlers and isn't used to the rugged Wyoming landscape. Teaming up is their only option, but when circumstances place them in a compromising situation, the town forces a more permanent partnership—marriage. If they can let down their guards with each other they might find that love is the greatest catch of all.
