Moving On: New Life After Job Loss - A Guide to Picking Yourself Up, Shaking Off the Dirt, and Getting Your Life Back in Order Paul C Larsen
My book is about getting one's life in order and moving on after career setbacks. I share a number of anecdotes from my own personal experiences, intending that the book be both instructional and motivational in its tone. I also try to inject a bit of humor into my writing since, at a difficult time in one's career, when viewed through the prism of humor many things seem possible that otherwise would seem impossible to achieve.
