The *Numerology Guidance Cards* are the ultimate tools of divination, providing clarity and insight to assist you on your path. When you're in need of answers, direction, inspiration, and hope, these cards will bridge the gap between your inner wisdom and the "universal wisdom of All That Is" through the ancient energy of numbers. Based on your current thoughts and behaviors, the *Numerology Guidance Cards* will reveal your future potential and uncover any conscious or subconscious blocks that are impeding the manifestation of your goals. Once these blocks have been identified and removed, you can begin to improve your life and actualize your dreams.

Each of the 44 cards in this deck contains specific numbers, colors, and words that assist in raising your energy vibration—plus the ancient "Merkaba" and "Flower of Life" symbols to facilitate your spiritual growth. The accompanying guidebook offers additional information to aid you in interpreting your readings. Numerologist **Michelle Buchanan** didn't design these cards to "predict" your future—but rather to help you *create* the one you desire!
