Society for Harbour Engineering Committee for Waterfront Structures, German Society for Soil Mechanics and Foundation Engineering
This sixth English edition of the EAU has been prepared on the basis of the eight German EAU version and also includes the 1990 Annual Engineering Report. The recommendations contained have been recognized as international guidelines through the Notification Procedure of the EEC Commission 1991/117/D. These guidelines are employed in work involving engineering planning, design, invitation for bids, award of contracts, execution of construction and settlement of accounts for harbour and waterway projects.
