Ted McKeever Library Book 1: Transit Ted McKeever
Spud, a self-proclaimed urban rebel, finds that when he inadvertently becomes involved in a political nightmare of power and corruption, he's going to need a lot more than half a can of spray-paint and a pair of worn out roller blades to survive. That is, if the entire city itself doesn't self-destruct before it's all over! Featuring political and social drama from one of the most celebrated masters of the comics medium, this collection contains all five original issues of Ted McKeever's *Transit*, as well as the never-before-published final chapter. Includes a full gallery of unpublished art, character designs, ads, and more!
