The Anatomy of Severe Weather

Zach Roberts, Jason Weingart

The Anatomy of Severe Weather Zach Roberts, Jason Weingart
A weather book with hundreds of high resolution images using clear page overlays to explain the dynamics of how and why severe weather occurs. Integrated our passion for storm chasing, weather photography, and research into a common goal for those with a desire to understand the weather. Marvel at the amazing forces of nature, while learning the dynamics and anatomy of what is occurring in the atmosphere. Clear overlays allow you to add or subtract detailed explanations of the meteorological components of the image. Radar and satellite images give the reader a top to bottom understanding of exactly what is occurring in the atmosphere. Over 200 high resolution images of severe weather that we have witnessed in person across the Great Plains. Beautiful museum quality hard cover coffee table book. Printed landscape, large sized, using 157 gsm weighted stock as text, run on a world class 6 color Heidelberg press, covered in gloss stock over 3mm boards, bound and finished with a smyth-sewn, square backed case binding, and beautifully jacketed with bright white stock and a gloss laminate.
