A Fool for Nature

Robert Lindsay

A Fool for Nature Robert Lindsay
A finely wrought poetry collection at the price of a cup of trendy coffee; this is a set of poems which may increase your sense of connection to nature. To know - if you didn't already - that you are one with nature.

These carefully crafted poems invite you (the reader) to reconsider your place within the natural universe. There's nothing mystical here, nothing religious or dogmatic in any sense. Even the few references to the Chinese sage Chuang Tzu and the better known Confucius are simply placed here to add the perspective of the East.
