Defy (Brothers of Ink and Steel) (Volume 3) Allie Juliette Mousseau, Nicole Hewitt
Ryder Axton I always fight hard, fuck harder, and never let myself get personally involved. But my assignment to apprehend Eduardo Miguel comes to a grinding halt when I find a missing federal witness held captive in his basement. It becomes fucking personal, fast! Keeping Farrington safe, even if it—or more likely she—kills me, is now my only mission. But she's terrified and fights me at every turn. Earning her trust becomes more than a way to save both our lives, it's like an addictive drug. I need it—I need her to put her faith in me—the way I need air to breathe. When she begins investigating the hidden parts of my soul, I almost can't deny her. I know I can protect her. I know I could pleasure her in one explosive night she'd always remember and I'd never forget. What I don't know is how I could be falling so fucking hard. There's no way in hell I can let that happen; getting too close to me comes with an ominous curse that won't be defied. I thought I had nothing to lose. I was wrong. Rachel Farrington I should've never taken that dangerous shortcut through the unlit alley to the frat party. It was where I saw a fellow student brutally murdered and how I made my way onto a cartel leader's hit list. As a federal witness, I thought I was safe in the protective custody of the FBI . . . that is until I woke up chained in the monster's basement. When a powerful and lethal soldier claiming to be a bounty hunter shows up, I'm not sure if he's rescuing me or dragging me towards a greater hell. But after a series of experiences that defy death, the overwhelmingly sexy, dirty-minded, Navy Seal trained and hot blooded bounty hunter—who obviously plays by his own rules—just might win my trust. He is not an ordinary man. He's strong, dark and deadly; his past is mysterious and his motives unreadable. He seems to be made of the stuff of myth and legend, and of ink and steel. Is Ryder Axton for real? Or is he employed by my captor for a more sinister purpose? When death comes, can we defy it… again? Each novel in the Brothers of Ink and Steel series focuses on one couple's journey to their HEA
