Five Star Desire (The Alexanders of Beverly Hills) Jacquelin Thomas

He's the best man for the job—and her heart!

Kellen Alexander is all set to take his rightful place in his family's dazzling Beverly Hills hotel empire. But the aspiring architect finds himself up against a major obstacle…. Her name is Addison Evans, and she has the position Kellen wants! Worse, the petite beauty is arousing a scorching passion that could cost him his entire career.

On the fast track to success, Addison is determined to prove to the Alexanders she has what it takes. Her attraction to their sexy younger son could derail all her ambitions, especially after one night together leaves them both wanting more. Suddenly, the rules of the game are changing. And when something totally unexpected happens, their power plays could erupt in heartbreak. Unless Addison can convince Kellen that they should be on the same team—forever.

From reader reviews:

Antonio Beeler:

What do you about book? It is not important along with you? Or just adding material if you want something to explain what you problem? How about your spare time? Or are you busy person? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They have to answer that question simply because just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this specific Five Star Desire (The Alexanders of Beverly Hills) to read.

Daniel Engle:

Playing with family in a very park, coming to see the water world or hanging out with pals is thing that usually you have done when you have spare time, after that why you don't try issue that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Five Star Desire (The Alexanders of Beverly Hills), you can enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh can occur its mind hangout guys. What? Still don't have it, oh come on its named reading friends.

Christine Mata:

In this particular era which is the greater person or who has ability in doing something more are more important than other. Do you want to become certainly one of it? It is just simple approach to have that. What you should do is just spending your time almost no but quite enough to have a look at some books. Among the books in the top listing in your reading list is usually Five Star Desire (The Alexanders of Beverly Hills). This book and that is qualified as The Hungry Slopes can get you closer in becoming precious person. By looking way up and review this book you can get many advantages.

Stanley Rivas:

Publication is one of source of information. We can add our knowledge from it. Not only for students but native or citizen want book to know the update information of year to be able to year. As we know those publications have many advantages. Beside we add our knowledge, can bring us to around the world. By book Five Star Desire (The Alexanders of Beverly Hills) we can have more advantage. Don't that you be creative people? To get creative person must love to read a book. Only choose the best book that suitable with your aim. Don't always be doubt to change your life with that book Five Star Desire (The Alexanders of Beverly Hills). You can more appealing than now.
