Samuel Willard Crompton

Hastings (Battles) (Battles That Changed the World) Samuel Willard Crompton
Marathon, Hastings, Midway -- just a few of the major battles covered in this series, which introduces readers to the wartime engagements that changed the course of human history. Each book gives a historical account of a decisive battle -- its participants, the political climate leading to the engagement, and the deciding factors that ultimately led to a victory or defeat. The decisive victory of the Norman Conquest in 1066 shaped the development of English language, society, and laws -- which in turn shaped American society.
