Lucien's Story: A Memoir Aleksandra Kroh
It may have been coincidental that on a walk in the 14th arrondissement would lead Lucien Duckstein to recall his Paris childhood and his removal at age eleven to Drancy and later to Bergen-Belsen. This powerful memoir rings with truth, and Lucien's technique of recounting the events of the past, while acknowledging their effect upon the present and future, makes this account a testament to the personal and psychological costs of the Holocaust.
