Saree La`Tel

**Many Faces Of Saree La`Tel** Saree La`Tel
A mixture of romance and erotica from four different styles of writing. Indulge in the Many Faces of Saree La' Tel throughout this impeccable book of poetry. I'm Open... By Saree La`Tel What it is called when you’re not around when I want or need you to be there? Am I crazy because I never want to sleep until I say goodnight to you? I want to hear your thoughts on everything; your feelings mean more to me sometimes then my own. How is it I don't want to be selfish when it comes to my wants and needs? What should I call it, when I always long for you to never see me in the wrong light? It’s crazy I feel like I never have to explain who I am when I'm with you. Then it hits me you must me right for me, you and I don't have to be a perfect fit and that's alright with me. Why is it, I always find myself looking for you in a crowded room? I'll never understand how anyone could let you go, why someone you care for would be the reason you have a dirty patch on your heart. She Loves Like By Fallen star She loves like….. The water you wash over your body to relieve you of your daily stress. I understand what others now speak of when they would say just a simple hello from someone special makes everything better…. She loves like….. The air which helps me breathes every time I take a breath in I smell something that makes me remember. When I walk alone and pass something or one on the street and I smell dove soap memories wash over me….. Visions of you in the shower capture me She loves like… The heat with one single touch had the skills to set me ablaze. You touched my mind and tickled my soul to the core; I don’t think I can be any clearer. All I can say if you never were in love then you can’t see me. She loves like….. Dreams it had to be, cause reality never made me feel this good….It took no effect to see how special she is, it was a perfect symmetry how we feel and move in harmony… if she was I church I would pray to her because her spirit has embodied me…. She loves like
