Never Too Much - The Remix Jarold Imes
The Tensley brothers are four young men who struggle with problems plaguing our youth today. Antwan becomes a teenage father at fifteen and has to learn how to become a man. Ashley is in denial about his addiction to alcohol, which is slowly tearing him apart. Ace is learning to balance his faith and learn anger management while incarcerated. Aaron is learning to accept that love must start with loving himself. These brothers have to learn to get along and face their problems together. Jarold Imes is no stranger to controversy and raising awareness of social causes and he proves that by bringing back the debut title that started it all.
