Providence of God (Contours of Christian Theology)

Professor Paul Helm

Providence of God (Contours of Christian Theology) Professor Paul Helm
In this concise and accessible introduction, Paul Helm outlines for students and interested readers the doctrine of divine providence. Unlike many doctrinal treatments, his approach is not historically oriented. Instead Helm focuses on the underlying metaphysical and moral aspects of God's providence, paying particular attention to the ideas of divine control, providence and evil, and the role of prayer in relationship to providence.
