The Protégé

Charlotte Armstrong

The Protégé Charlotte Armstrong
A young drifter charms his way into the confidence of an older woman in this twisting novel by “a pioneer in domestic suspense” (Lisa Unger).

Seventy-four-year-old widow Mrs. Moffat lives in a quiet and idyllic California town, accustomed to routine and solitude in her country home. But everything changes when she runs into a charismatic young transient in church one Sunday morning. He claims to be Simon Warren, the son of a former neighbor and the best friend of Mrs. Moffat’s own grandson, who mysteriously vanished years ago.

Longing to repair the emotional wounds of the past, the enchanted Mrs. Moffat welcomes Simon into her home. But he’s not received nearly as well by her friends or her granddaughter, Zen, whose suspicions about Simon, and the potential threat he poses, are willfully ignored by her grandmother. Now, as the young man calmly insinuates himself into a comfortable new life, a test of wills between the stubborn old woman and her increasingly apprehensive granddaughter begins.

What no one understands is that Mrs. Moffat isn’t a silly woman: She knows precisely what she wants from her unlikely “friendship” with the untrustworthy Simon. But as a dawning fear arises, Mrs. Moffat, Zen, and perhaps even Simon will find themselves in an inescapable trap of their own making.

From reader reviews:

Gladys James:

In other case, little folks like to read book The Protégé. You can choose the best book if you love reading a book. Given that we know about how is important some sort of book The Protégé. You can add information and of course you can around the world by just a book. Absolutely right, simply because from book you can understand everything! From your country until eventually foreign or abroad you will end up known. About simple factor until wonderful thing you may know that. In this era, we can easily open a book as well as searching by internet device. It is called e-book. You may use it when you feel bored to go to the library. Let's study.

Aida Zambrana:

Precisely why? Because this The Protégé is an unordinary book that the inside of the guide waiting for you to snap this but latter it will jolt you with the secret this inside. Reading this book close to it was fantastic author who all write the book in such amazing way makes the content interior easier to understand, entertaining method but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book include such as help improving your talent and your critical thinking means. So , still want to hesitate having that book? If I were being you I will go to the reserve store hurriedly.

Mark Klein:

Is it anyone who having spare time after that spend it whole day by simply watching television programs or just resting on the bed? Do you need something new? This The Protégé can be the answer, oh how comes? The new book you know. You are so out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these books have than the others?

Ruth Lowry:

That guide can make you to feel relax. This specific book The Protégé was colorful and of course has pictures around. As we know that book The Protégé has many kinds or genre. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and think you are the character on there. So , not at all of book are usually make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book for you and try to like reading this.
