We Have Free-will: A critique of neuroscience

Mr. Scott Christopher Merritt

We Have Free-will: A critique of neuroscience Mr. Scott Christopher Merritt
In 1 week I read every book from the local library on free-will. Depressingly, every position was a refutation of its existence. Building off of my experience with weird thought experiments, knowledge about technology, insight into artificial intelligence and awareness of popularly relied upon techniques to influence other humans, I wrote a piece that defends free-will.
