Arizona Trail: The Official Guide
Synopsis As the 750-mile Arizona Trail threads its way through magnificent backcountry, hikers on this trail witness the beauty of the state's varying landscape. Also a sight to behold, the diverse flora found along the way ranges from low-lying desert dwellers to towering deciduous and coniferous trees. In this guide, the author describes the route section by section, providing a wealth of knowledge for both thru-hikers and those interested in scenic daylong excursions. Color photographs, maps, and elevation profiles beautifully augment the trail descriptions.
