Adult Content Barbara and Amanda have been best friends for as long as they can remember, but never did they think in the past that they would become entrepreneurs of their own private prostitution business together. While Barbara is a shy and reserved girl who works too hard and parties too little, her life is about to take a turn because her headstrong and aggressive friend has a plan for them both. Amanda's plan is for Barbara to join her in becoming prostitutes for serious money instead of dealing with the mind-numbing work they suffer at a sleepy hardware store that barely pays their bills. Amanda decides to put out bondage service ads, and Barbara goes along with her friend's plan, thinking that no one will respond to the ad. However, the girls meet Stuart and his friend Jake at a local bar and hit it off immediately, leading to eye-opening experiences that could result in their salvation from money problems or result in their ultimate reckoning and ruin. Though they don't know it yet, the two men are the gateway for these women into their new addiction to bondage. Soon, the hardware store becomes less of a job to them and more of a place where they can get their makeshift bondage equipment. Join these women as they enter the sexy and oftentimes dark world that they only think they can control with a few straps and whips.
