Earth System History, 2nd Edition Steven M. Stanley
Designed for a new generation of readers, Stanley's *Earth System History* is a reforging of his *Exploring Earth and Life Through Time.* Adopting an earth system approach throughout, *Earth System History* shows students how Earth's ecosystem has developed over time and how events in the past provide a perspective for dealing with present and future changes. Clear and concise, the new Second Edition of this introduction to historical geology is perfect for one-term non-majors courses and contains lots of new content and improved visuals.
