Never Mind

Richard Nicholson

Never Mind Richard Nicholson
Never Mind rings the curtain down on two thousand years of nonsense. It reveals dramatic facts, unknown to the general public, about the origins of Christianity. These facts have never before been assembled under one cover. They culminate in a bombshell dramatic chapter. The book begins with a brief, but essential, study of a select number of modern miracle claims and myths, including largely unknown facts about the supposed apparitions of the Virgin Mary. One chapter is devoted to the incredible story of Joseph Smith, founder of the Mormon Church. The book then moves to the main arena, Christianity.A brief summary of what is known and what is not known about the first four Christian centuries is presented, including a not-to-be-believed description of major forgeries, lies and deceptions.
The balance of the book includes:
· The Gospels The four gospels of the New Testament are briefly reviewed, with particular focus as to who wrote them and when. Incredible admissions are made by the Catholic Encyclopedia. Forged gospels and their authors are exposed.· Bah HumbugThe Nativity (Christmas) story is totally exposed as a myth and the Catholic Encyclopedia agrees!· Constantine, Eusebius and JeromeA fascinating story about three shady characters and their enormous effect upon Christianity.· Dem BonesActually humorous! Read about how many churches claim to possess Christ's circumcised foreskin.· The Cult of MaryMary's history (?) is briefly examined and a startling, little known fact revealed about her.· Peter and the Papacy If you believe that Peter was the first Pope, then this chapter is for you.· The Crucifixion, Resurrection and AscensionMaterial never before assembled in one book.· PaulThe best is saved for last, but will not be revealed here.
An additional chapter presents interesting material about the Old Testament

From reader reviews:

Brian Dunlap:

As people who live in often the modest era should be update about what going on or information even knowledge to make these keep up with the era which is always change and make progress. Some of you maybe may update themselves by reading through books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what kind you should start with. This Never Mind is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Cindy Martin:

The knowledge that you get from Never Mind could be the more deep you digging the information that hide inside words the more you get serious about reading it. It doesn't mean that this book is hard to understand but Never Mind giving you excitement feeling of reading. The copy writer conveys their point in specific way that can be understood by anyone who read that because the author of this publication is well-known enough. This kind of book also makes your own personal vocabulary increase well. That makes it easy to understand then can go along, both in printed or e-book style are available. We advise you for having this kind of Never Mind instantly.

Becky Pope:

Many people spending their time by playing outside having friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to spend your whole day by studying a book. Ugh, ya think reading a book really can hard because you have to accept the book everywhere? It okay you can have the e-book, getting everywhere you want in your Smartphone. Like Never Mind which is finding the e-book version. So , why not try out this book? Let's notice.

Detra Satterwhite:

Reading a e-book make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is published or printed or created from each source which filled update of news. On this modern era like now, many ways to get information are available for you. From media social including newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just in search of the Never Mind when you needed it?
