Scrambling to stay one step ahead of the Liege, Asia and Hawke discover more than they had bargained for. Hawke discovers his Alpha was also his father and that he had been given to the Liege as part of an experiment gone bad. Mercy has no place in his heart for the treachery he discovers. It takes his mate's loving hand and cool head to keep him from destroying those La Patron entrusts him to protect. Asia isn't big on family, but she understands the basics. Family is important, to a point. But her mate's family delivers a bag of surprises that she isn't prepared for. It takes Jasmine and Silas to help steer the newly mated pair through the halls of family drama and come out on top in Sword of Mercy.
