Bones of Rebellion (Generations of Noah) Rachel S. Neal
A century has passed since the flood of judgment engulfed mankind. The descendants of Noah live in harmony, unified beneath their tower. One God. One people. Then a man is killed. Naomi's grandson is accused of murder and will be stoned unless she can prove his innocence. A tower of lies conceals the truth. It must be allowed to crumble, exposing long hidden secrets. But some of them are her own... This novel is the second in the Generations of Noah series but stands alone in content.
