The New York City Fire Department is publishing an official commemorative book for the10th anniversary of the September 11, 2001 attacks, featuring an introduction by former President George W. Bush. The book will draw on exclusive photos, some never seen before, culled from the Department s official archive and include interviews with dozens of FDNY members who responded that day and worked in the aftermath. The book will also chronicle, through photos and words of FDNY members, the department s efforts to rebuild and feature major operations since Sept. 11, including FDNY s response to Hurricane Katrina and Haiti, the Miracle on the Hudson, the Manhattan crane collapse and the plane crash in Queens just two months after Sept. 11. Pre-orders are currently being accepted for this title, scheduled to be released near July 2011. This book will be a large 12 x 10 inch coffee table edition with a deluxe hardbound cover and dust jacket. High-gloss, double-coated paper is used for superior photo reproduction of both black and white and color photographs.
