The Meddlers of Moonshine (Moonfall Mayhem) (Volume 2) A.E. Decker
Something is rotten in the town of Widget, and Rags-n-Bones knows it's all his fault. Ever since he snitched that avocado from Miss Ascot's pack, things have been going wrong. Armed with a handful of memories he never realized he had, Rags-n-Bones searches for a way to put right whatever he did to Widget in the past. If only he knew what it was! Unfortunately, the only person who seems to have answers is a half-mad youth that only Rags can see.
Widget is also suffering from a ghost infestation that has the townsfolk almost as spooked of outsiders as they are of actual spooks. While Rags-n-Bones seeks answers in the past, Ascot offers the town leaders her service as an exorcist, only to be handed an ultimatum: banish the ghosts or be banished herself!
Who's meddling with Widget? To catch the culprit, Ascot and Rags-n-Bones must match wits with a shifty sorcerer, a prissy ex-governess, and a troublingly attractive captain before the town consigns itself to the graveyard of history.

From reader reviews:

Hazel Park:

Spent a free a chance to be fun activity to do! A lot of people spent their sparetime with their family, or their very own friends. Usually they doing activity like watching television, likely to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Can be reading a book might be option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the reserve untitled The Meddlers of Moonshine (Moonfall Mayhem) (Volume 2) can be fine book to read. May be it might be best activity to you.

Jason Allen:

The actual book The Meddlers of Moonshine (Moonfall Mayhem) (Volume 2) has a lot of knowledge on it. So when you make sure to read this book you can get a lot of advantage. The book was compiled by the very famous author. The writer makes some research ahead of write this book. This kind of book very easy to read you can get the point easily after scanning this book.

Terry Tatum:

Do you like reading a book? Confuse to looking for your selected book? Or your book ended up being rare? Why so many concern for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading, not only science book but in addition novel and The Meddlers of Moonshine (Moonfall Mayhem) (Volume 2) or even others sources were given knowledge for you. After you know how the truly amazing a book, you feel would like to read more and more. Science reserve was created for teacher or maybe students especially. Those books are helping them to add their knowledge. In some other case, beside science e-book, any other book likes The Meddlers of Moonshine (Moonfall Mayhem) (Volume 2) to make your spare time more colorful. Many types of book like here.

Curtis Phillips:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Meddlers of Moonshine (Moonfall Mayhem) (Volume 2) can make you experience more interested to read.
